EVENTS & ENTERTAINMENT AT DISTRICT 121

District 121 is McKinney's go-to destination for dining and entertainment! Mark your calendars for these fun monthly events!

Creating a reoccurring monthly calendar of events will create habits and set expectations for locals and visitors.

At **District 121** you can catch live music the first Friday of every month, watch a flick on the lawn the second Saturday of the month, or visit **District 121** on Third Thursdays for dinner and concerts from the vault!

First Friday:

LIVE! At District 121

Second Saturday:

Movie Night at District 121

Third Thursdays:

Concerts from the Vault at District 121

Additional events are added throughout the month. A full calendar of events will be made available for viewing on the **District 121** website and social media. (If it's possible to have a calendar posted somewhere on site at District 121 that would make a big impact!)
